FINANCIAL STABILITY

Setting Up a Foundation for Families to Thrive

Financial stability is a crucial element of the Whole Family Approach as it enables families to grow economically and contributes to improving overall family well-being. At the core of the Whole Family Approach is the belief that every member of a family has the opportunity to discuss and decide their goals. Through this approach, every family works together towards financial stability.

Between 2017–2019, families enrolled in the Whole Family Approach reached a variety of milestones.

516 Families
Reached their Financial Stability Goals

93 Families
Increased Savings

34 Families
Purchased a Home

Below are the typical classes offered to families enrolled in the Whole Family Approach.

These classes educate the whole family on how to achieve financial stability. Working closely with family advocates, the classes help families agree on a plan and to achieve their goals.

FINANCIAL LITERACY COURSES

Financial literacy courses empower caregivers to be better financial stewards by teaching them how to:

- Create and stick to an effective budget
- Understand and improve their credit score
- Establish and achieve financial goals
- Manage a mortgage and plan for buying a home

ENTREPRENEURSHIP TRAINING

Entrepreneurship training equips adults with the tools they need to create businesses that change the trajectory of their financial lives. The classes teach business fundamentals such as:

- Digital marketing for small businesses
- Business budgeting
- Bookkeeping and financing

VOCATIONAL TRAINING

Vocational training teaches caregivers how to navigate the job market and achieve success in their careers. Some resources that are provided are:

- Job fairs
- Resume workshops
- Microsoft Office training

WHOLE FAMILY APPROACH

THE WHOLE FAMILY APPROACH

The Whole Family Approach is a family-led strategy that provides adults and children in the family with the tools they need to set, plan for, and achieve their goals together.
